Statement of issues

The plaintiff has "Question of Law", "Point of law", and Question of Fact" issues with all of the defendants, also with the Dishonorable James P. Donohue. Should the Dishonorable James P. Donohue continue to try to hide contradicting clear convincing evidence that proves that all the defendants are compulsive liars from the very start? Should the administrative body of the United States District Court Western District of Washington at Seattle continue to allow this high level corruption?

Statement of Facts

1. The Defendant Detective Timothy W. Renihan flat out writes in his declaration "There is no probable cause for his arrest", (See attached "declaration exhibit S"). but then on the same day arrests the plaintiff Kyle Lydell Canty? this original declaration is dated 07/08/2016, this is also the same date the plaintiff was originally kidnapped off of the streets of Seattle Washington by violent force and then Arrested at the command of Timothy W. Renihan , The plaintiff spent 6 months in King county correctional facility before he moved the king county superior courts of Seattle with a motion pursuant to 8.3 C. r.R. dismissal with Prejudice, it was granted because this not so smart detective thought that the plaintiff would just plead guilty , but instead Kyle Lydell Canty opted to go all the way to trial by jury and since King county didn't want to pay for the trial they decided to stop being corrupt. And granted the motion to dismiss with prejudice because Detective Timothy Renihan in an attempt to get rid of all possible evidence that Kyle Lydell Canty had against Seattle Police Department and their officers. Timothy W. Renihan intentionally, maliciously, knowingly, and willfully destroyed laptops, cell phones, SD cards, usb flash drives, a US Passport, a social security card, watches, a book bag, hats, cloths, sneakers, external hard drives, pictures, dvds, and many more items, The Plaintiff previously submitted a declaration of RN Gina with the official property inventory checklist to all of the property that The plaintiff had. RN Gina is employed at Harborview Medical Center as of 07/08/2016

2. The Defendant Timothy w. Renihan unintelligently wrote yet a second declaration contradicting the first declaration that he wrote (see.attached declaration exhibit "T.") this detective even goes as far as to hide the date and non-facts that he had in the first declaration. This second declaration came out when the defendants were serves the summons and complaint by the United States marshal service at the direction of the Dishonorable James P. Donohue.

Conclusion

The plaintiff says checkmate, and asks the defendants and the dishonorable James P. Donohue "did you actually think you would get away with this crap? The plaintiff accepts all challengers Including all corrupt judges!!
